**Burke Teichert** was born and raised on a family ranch in western Wyoming and earned a B.S. in ag business from Brigham Young University and M.S. in ag economics from University of Wyoming. His work history includes serving as a university faculty member, cattle reproduction specialist, and manager of seven cattle ranches for Deseret Land and Cattle.

Teichert retired in 2010 as vice president and general manager with AgReserves, Inc. (Deseret), where he was involved in seven major ranch acquisitions in the U.S. and the management of a number of farms and ranches in the U.S. as well as Canada and Argentina.

In retirement, he is a consultant and speaker, passing on his expertise in organizing ranches to be very cost-effective and efficient, with minimal labor requirements. His column on strategic planning for the ranch appears monthly in *BEEF* magazine.
